

# Program Change

Generally used to recall presets on your Midi device

Enter the PC# and Channel for which to send your message

The screenshot shows a web browser window with the URL `app.jetpedals.com/editor#/assign-messages`. The page title is "MCX Web Editor". The interface includes a top navigation bar with the "JET PEDALS" logo, the text "MCX Web Editor", and buttons for "Saved Presets", "Editor", "Start Over", and "Disconnect". The main content area is titled "MCX Web Editor" and displays "Step 3: Assign MIDI Messages". Below this, it says "Red Bank → Short Press A". There are four message slots: "Message 1" is set to "PC" with a dropdown arrow; "Message 2" is set to "Empty Message" with a dropdown arrow; "Message 3" is set to "Empty Message" with a dropdown arrow; and "Message 4" is partially visible, also set to "Empty Message". For "Message 1", there are input fields for "PC#" (containing "1") and "Channel" (containing "1").
