

# URL and Setting Up an Account

It's easy and free to use the JET MCX Web Editor to program your MCX. In order to use the web editor, you must sign up for a free account. Go to <https://app.jetpedals.com/> and click on "Create Account" in the top right navigation menu. From there, follow the steps to register for your account.

A screenshot of a web browser showing the registration page for JET Pedals. The browser's address bar displays 'app.jetpedals.com/register'. The page has a dark background with a white registration form in the center. At the top of the form is the JET Pedals logo and the word 'Register'. Below this, it says 'Complete the form below to create your account.' The form contains five input fields: 'First Name', 'Last Name', 'E-Mail Address', 'Password', and 'Confirm Password'. A blue 'Register' button is at the bottom of the form. Below the form is a link that says 'Already have an account?'.
