

Loop Off

Used to turn off any loop 1 thru 6

Select the Loop # to turn off.

The screenshot shows a dark-themed MIDI controller interface. At the top left is a pink circular button with a left-pointing arrow. To its right are two dropdown menus: 'Message #' set to 'Message 1' and 'Midi Channel:' set to 'Channel 1'. Below these are two more dropdowns: 'Press Action:' set to 'Press' and 'Message Type:' set to 'Loop Off'. Further down are three horizontal sliders. The first slider is labeled 'Loop #: 3' with a pink knob and is highlighted with a pink glow. The second slider is labeled 'Value 1: 0' and the third 'Value 2: 0', both with purple knobs. Each slider has a minus sign on the left and a plus sign on the right. At the bottom, white text reads 'Hold BPM Dial for 3s to Clear Preset'.
