

# Loop On

Used to turn on any loop 1 thru 6

Select the Loop # to turn on.

The image shows a digital control interface for a 'Loop On' function. It features a dark blue background with white and pink text and controls. At the top left is a pink circular button with a left-pointing arrow. To its right are two dropdown menus: 'Message #' set to 'Message 1' and 'Midi Channel:' set to 'Channel 1'. Below these are two more dropdowns: 'Press Action:' set to 'Press' and 'Message Type:' set to 'Loop On'. The main section contains three horizontal sliders. The first slider is labeled 'Loop #:' and is set to the value '3', with pink minus and plus icons at its ends. The second slider is labeled 'Value 1:' and is set to '0', with pink minus and plus icons. The third slider is labeled 'Value 2:' and is also set to '0', with pink minus and plus icons. At the bottom, a white text instruction reads 'Hold BPM Dial for 3s to Clear Preset'.
