

Real Time Start

Sends a MIDI Real Time Start message.

The image shows a dark-themed user interface for configuring a MIDI Real Time Start message. At the top left is a pink circular icon with a left-pointing arrow. Below it are four dropdown menus: 'Message #' (set to 'Message 1'), 'Midi Channel:' (set to 'Channel 1'), 'Press Action:' (set to 'Press'), and 'Message Type:' (set to 'Real Time Start'). Below these are three sliders, each labeled 'Number:', 'Value 1:', and 'Value 2:', all set to 0. Each slider has a pink knob and '+' and '-' symbols. At the bottom, text reads 'Hold BPM Dial for 3s to Clear Preset'.
